WHO WE ARE

Love, Team Tessa is a 501(c)(3) nonprofit organization fighting childhood cancer. We were established in 2017 after our daughter Tessa lost her fight with stage-four Neuroblastoma at the age of nine.

Tessa was diagnosed in 2013 at 5 years old after complaining of stomachaches and pain in her leg. She fought vigorously and gracefully for four long years, often travelling to different institutions out of state in search of a cure. Because of our journey along Tessa's side, we can deeply relate to families and children fighting childhood cancer, which is why we formed Love, Team Tessa.

Tessa's passion for life inspired many among her community (and even the world!) to live life to the fullest and "Live Like Tessa" by being a kinder human being. It was in this spirit that Love, Team Tessa was created and is the motivation behind our fight to help assist other children and families along their cancer journey.

Our mission is to support childhood cancer patients and their families, as well as doctors and researchers, by funding pediatric cancer research and helping families throughout treatment and recovery.

WHAT WE DO

Some examples of the assistance that Love, Team Tessa provides are as follows:

- ♥ Tessa's Trooper of the Month- One family per month is chosen to receive a surplus of gifts for the entire family (parents, child currently fighting AND all the siblings!), this also includes a monetary contribution as well as gift cards for gas, food, and fun activities for the family.
- ♥ Monthly grants written out to those in need in the amount of \$500 that allows the family to spend it on whatever they best see fit. This could include bills, medical expenses, groceries or even a well-deserved, family fun excursion.
- ♥ Travel accommodations needed for those seeking treatment out of state.
- ♥ Yearly contribution of books donated to our local children's hospital "book cart" during reading month (March)
